Sponsorship and Congress Corporate Workshop

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these times companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Please note prices below include audio visual and not for food/beverage costs.

Workshop Availability
