

International Conference and Exhibition on

Biowaivers & Biosimilars

September 10-12, 2012 Hilton San Antonio Airport, USA

Sponsorship

Dear Potential Sponsor/Exhibitor,

OMICS Group, the World Class Open Access Publisher and Scientific Events Organizer is hosting International Conference and Exhibition on Biowaivers and Biosimilars during September 10-12, 2012 at Hilton San Antonio Airport, USA.

We warmly invite you to sponsor/attend/give a speech at International Conference and Exhibition on Biowaivers and Biosimilars.

OMICS Group Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees, and compelling content.

This conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people. When becoming our partner, we will do our utmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Biosimilars-2012 is "**A Synergistic Approach towards Biowaivers & Biosimilars**".

Stands for advertising of the products/services of the companies in the Biowaivers and Biosimilars sectors shall be placed in the exhibition area throughout the conference. We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,

Biosimilars-2012 Organizing Committee

<http://www.omicsonline.org/biosimilars2012/>

The OMICS Group, a premier quality scientific publisher and Editors–Journal of Bioanalysis and Biomedicine (<http://omicsonline.org/EditorialboardJBABM.php>) Journal of Bioequivalence and Bioavailability. (<http://www.omicsonline.org/EditorialboardJBB.php>) Pharmaceutica Analytica Acta (<http://www.omicsonline.org/EditorialboardPAA.php>) are jointly organizing the Conference.

Selected Contribution will be published in following OMICS Group Journals:

- Journal of Bioanalysis and Biomedicine
- Journal of Bioequivalence and Bioavailability
- Pharmaceutica Analytica Acta

Why with us???

- 200 Open Access Journals
- 20000 Editorial team
- 25000 Reviewers team
- 1 Million Readers
- Quality and quick editorial, review processing
- 21 Day rapid review process
- Publication within 7 days of acceptance

Unique features

- User friendly/feasible website-translation of your paper to 50 world's leading languages
- Audio Version of published paper
- Digital articles to share and explore
- Sharing Option: Social Networking Enabled

OMICS Group Conferences

- 50 Conferences all over the world in 2012
- Providing Delegates and Speakers across the globe with an unparalleled opportunity to create new, value generating relationships
- Well organized scientific program
- Flow of knowledge across the globe
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Opportunity to attend the presentations delivered by Eminent Scientists from all over the world

The conference highlights the following topics

- » Biosimilars Pathway
- » EU MAb Guidelines
- » Skill Set for Biosimilars Development
- » Biosimilar Therapeutics
- » Clinical Issues
- » Reference Standards
- » Guidelines for Marketing
- » In vitro & In vivo Correlations
- » Bioequivalence Testing
- » Biowaivers
- » Pharmaceutics

Benefits / Advantages

- Scope of enhancing marketing opportunities and collaborations
- Exposure of your corporate logo in our Biosimilars-2012 conference website
- Advertising high quality information of your company/products by linking through OMICS Group Journals
- Interaction with World Class Experts from both Academia/Industries helps in updating the knowledge at interactive sessions
- Share your excitement in promoting your company and ideas with Eminent Scientists, Research Scholars & Related Companies
- Global networking: In transferring and exchanging Ideas
- Conference brings together Scientific Researchers, Business Entrepreneurs and Pharma, Biotech & Healthcare Industry Developers
- We are looking forward for your active participation and make this event a memorable one

B2B

Biosimilars-2012 conference has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.

Please visit for available B2B details: <http://www.omicsonline.org/biosimilars2012/b2b>

We expect your precious comments or suggestions on the structure of our B2B, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.

1. Are you interested in joining as our B2B partner?
2. What are you looking for? (Interaction with researchers, commercial partners, venture capital companies, or any collaboration)
3. Do you have any suggestions for our B2B?

University of Jos, Nigeria

Sponsorship and Exhibitor Benefits Program Conference Corporate Workshops

The Conference provides sponsoring companies to present corporate workshops in parallel to the Conference program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Conference delegates. The workshop program will be promoted prior to the Conference via the Conference website, Biosimilars-2012, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (September 10, 07:00 AM to September 12, 11:00 PM) without an agreement in writing from the Biosimilars-2012 Organizers.
