

MEDIA PARTNERSHIP

Discover the ease of exploring by becoming a Media Partner!

As a leading International conferences organizer of over 50 Conferences a year, **OMICS Group Inc** is conscious about the importance of reaching the targeted market/customers/audience. So, we provide targeted promotion through our well visited websites to Businesses, Scientific and industry Professionals through this Media partnering platform.

Since we target similar market segments, we wish to share with you the excitement and ideas for creation and exchange of knowledge and information in the scientific field through our Journal, Conferences and other means. You will find it interesting that through partnering with us you can easily reach world class university academicians, eminent scientists from research institutions; and experts from medical and health science industries / companies. Media partnership will provide full scale coverage and publicity leading up to and during the event.

Being a media partner of the event will create a tremendous opportunity for you to be recognised in the conference to all the similar other communities. OMICS Group is offering a wide range of benefits to promote and expose your brand, product and services to the large number of visitors. These benefits are categorized under three different packages which are mentioned below.
