# 2<sup>nd</sup> World Congress on Cell Science & Stem Cell Research

November 12-14, 2012 Hilton San Antonio Airport, USA

<http://omicsonline.org/cellscience2012>

## Dear Potential Sponsor/Exhibitor,

OMICS Group, the World Class Open Access Publisher and Scientific Events Organizer is hosting 2<sup>nd</sup> world Congress on Cell Science & Stem Cell Research during November 12-14, 2012 at Hilton San Antonio Airport, USA.

We warmly invite you to sponsor/attend/give a speech at Cell Science-2012.

OMICS Group Conferences deliver new ideas, convictions, strategies and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

When becoming our partner, we will do our utmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

This congress will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge. The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

The main theme of Cell Science-2012 is to "**Recent Innovations and Technologies in Stem Cell Research**" We have the pleasure to invite and welcome you to attend/give a speech in our exciting congress. Let us meet in one of the most glorious cities in the world.

Register along with your colleagues to avail group discounts.

Best Regards,

Cell Science-2012

## Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Cell Science-2012, newsletters (Approximately 1,00,000 email recipients) and the final program book.

**NOTE:** No separate industry or corporate events may be held during the Congress period (November 12, 07:00 AM to November 14, 11:00 PM) without an agreement in writing from the Cell Science-2012 Organizers.
