

B-Crobes Challenge Trophy

Young Scientist Oral Presentation Competition

B-Crobes group of companies (www.bcrobes.com) are one of the leading microbial cell preparation manufacturers and marketers in Southeast Asia. B-Crobes will sponsor an award for the Young Scientist Oral Presentation Competition at the International Conference & Exhibition on Probiotics (Probiotics-2012).

This award is a **Challenge Trophy** that is highly competitive and awarded at each series of this Probiotic conference. Only **ONE winner** will be selected. This award is accompanied by a prize of **Euro 500** and a **certificate**.

General Information

1. This competition is open to Young Scientists, aged below 35 years old prior to the deadline for submitting abstracts
2. The entrant must be registered for the Probiotics-2012 conference and must be the presenter of his/her talk in any of the assigned session
3. The work must represent original research completed and presented by the entrant
4. Only entrant selecting to present for an oral paper session in the "Call for Abstracts" will be considered
5. Acceptance of an abstract for presentation is independent of acceptance as a competition finalist
6. Entrants who are eligible and chosen for this competition will be notified in advance of Probiotics-2012
7. Participants wishing to contest in this competition are required to email a letter along with their abstract clearly stating the competition category

Judging Process

All entries submitted to Probiotics-2012 will be reviewed by the Award Committee. Eligible entrants will be selected and judged by a panel of judges during oral paper sessions.

Judging Criteria

1. Scientific Merit of the Research: Scientifically sound and novel
2. Oral Presentation: Clarity, creativeness, ability to answer questions

Announcement of Awards

The winner will be announced at the closing session of Probiotics-2012. The winner will be presented with a prize of Euro 500 and a certificate. All entrants are expected to be present at the closing session.
